

Immunization (Vaccination) Form

To ensure the health and safety of our campus, immunizations against communicable diseases are extremely important. Vaccination against Measles, Mumps, Rubella (MMR) and Tetanus, Diphtheria and Pertussis is required of all students entering Auburn University at Montgomery. This form must be completed and is the preferred document for proof of immunizations. Take this form to a doctor or clinic to be completed. Also, upon arrival to the campus, international students will be required to report to Student Health Services to receive a Tuberculosis Skin Test. The cost of this test is \$15.00. TB skin tests performed outside of the United States will not be accepted.
