Date: 02/24/20

PATIENT: AKIN, KATHERINE **DOB:** 04/02/1979 **Gender:** FEMALE **MRN:** 1159 **AGE:** 40 Years

VISIT TYPE: Office Visit New

CHIEF COMPLAINT: Pt traveling to Uganda. Needing travel vaccines.

Symptoms: Pt states she has had the Hepatitis A and B series. Is going to wait closer to time for the MCV4. Has an appointment scheduled for next Friday for yellow fever. Explained that if she is getting an MMR she needs to get them on the same day.

ASSESSMENT:

Z23 - Encounter for immunization (PRIMARY)

PLAN:

Will call in a prescription for anti-malaria today. Pt to consult with others about getting the cholera vaccine.
