Comments	The performance of Oral and Rectal Swabs are not FDA approved, but have been validated by the BCL on specimens for Chlamydia Trachomatis and Neisseria Gonorrhoeae testing from patients attending STD and Adult Health Clinics. The Oral and Rectal Swabs have NOT been validated by the BCL for Trichomonas Vaginalis testing. The Aptima Trichomonas Vaginalis Assay has not been approved for testing on male patients by the FDA, but has been validated by the BCL on specimens from male patients attending STD and Adult Health Clinics.		

Test/Observation	Result	Method / Ref Range
