Date: 03/04/20

PATIENT: OSTLUND, WENDY **DOB:** 01/19/1951 **Gender:** **MRN:** 1170 **AGE:** 69 Years

VISIT TYPE: Office Visit New

CHIEF COMPLAINT: Travel vaccine to go to St. Martin.

Symptoms: Pt concerned about the typhoid vaccine and her not receiving it. Explained that the vaccine is only 70% effective and that antibiotics were available to treat typhoid should she become ill. Had stressed over the phone, not to eat from street vendors.

ASSESSMENT:

Z23 - Encounter for immunization (PRIMARY)
