General Consent for Treatment

I request and authorize health care services by my provider and his/her designees(s) as my provider may deem advisable and in my best interest. This may include routine diagnostic, laboratory procedures and medication administration.

I understand that excluding emergency or extraordinary circumstances, no substantial procedure will be performed without providing me an opportunity to give me informed consent for that procedure. PATIENT HIPPA CONSENT FORM

I understand that I have certain rights to privacy regarding my protected health information. These rights are given to me under the Health Insurance Portability and Accountability Act of 1996 (HIPPA). I understand that by signing this consent I authorize Auburn Montgomery Student Health Services (AUSHS) to use and disclose my protected health information to carry out:

- Treatment (including direct or indirect treatment by other healthcare providers involved in my treatment);
- Obtaining payment from third party payers (e.g. my insurance company);
- The day-to-day health care operations of AMSHS practice.

I have also been informed of and given a copy of AMSHS *Notice of Privacy Practices*, which contains a more complete description of the uses and disclosures of my protected health information and my rights under HIPPA. I understand that AMSHS reserves the right to change the terms of this from time to time and that I may contact AMSHS at any time to obtain the most current copy of this notice.

I understand that I have the right to request restrictions on how my protected health information is used and disclosed to carry out treatment, payment and health care operations, but that AMSHS is not required to agree to these requested restrictions. However, if AMSHS does agree, they are then bound to comply with this restriction.

I understand that I may revoke this consent, in writing, at any time. However, any use or disclosure that occurred prior to the date I revoke this consent is not affected.

Signed this 8th day of June 2017.
