Dear L. Barton, CRNP:

Thank you for referring your patient **Sourish Biswas (DOB: 10/31/85)** to see our Diabetes Educator at the Baptist Health Center for Diabetes and Nutrition Education. **Mr. Biswas would like to contact his insurance prior to scheduling an appointment.**

We feel that when one of your patients has been referred to us and does not schedule their appointment (s), we need to let you know so that your office may follow up with that patient.

Thank you again for this referral. We look forward to working with you in the future. If you have any questions, please call our patient registration office at 334-747-7700.

Sincerely,

Baptist Health
