

VACCINE ADMINISTRATION RECORD

(THIS FORM IS SUBJECT TO THE PRIVACY ACT OF 1974)

By printing and placing in the medical record, providers are verifying that the vaccines annotated were administered and current CDC published Vaccine Information Sheets (VIS) or Important Information Sheet was given to the parent, legal guardian or patient. This form complies with all federal record keeping requirements of the National Childhood Vaccine Injury Act of 1986 as amended 14 December 1993. Parent, guardian, or patient signature is not required unless state law mandates a guardian signature and proof of informed consent. Local VIS's may be developed for vaccines not covered by CDC Publications. This document complies with article 80 of the WHO international health regulations and can be used in place of the PHS 731 when traveling outside the United States.
