Dear Dr. Barton:

I had the pleasure of seeing your patient, Jennifer Puryear on 8/27/2024. Briefly, after clinical evaluation the patient has been diagnosed with the following: M17.11 Unilateral primary osteoarthritis, right knee, S83.231A Complex tear of medial meniscus, current Injury, right knee, Initial encounter.

The patient was instructed to call if pain or symptoms persist or worsen.
The patient was provided a theraband and given a physician directed home exercise program for the knee. Detailed instructions were given.

Please feel free to contact me for any questions. Thank you for allowing me to participate in the care of your patient.

Sincerely,

Ⓜ
