Head Circumference/Age: N/A

ALLERGIES: No Known Drug Allergies

MEDICATIONS:

No Known Medications

PAST MEDICAL HISTORY: Denies

PAST SURGICAL HISTORY: Denies

ASSESSMENT:

Z71.84 - Encounter for health counseling related to travel (PRIMARY)

PLAN:

Pt advised he will need Typhoid, Yellow Fever, and Cholera vaccines. Rabies vaccine advised since they will stay in a tent. Mother aware. Will need malaria treatment prior to travel as well. Will need to go to Auburn University main campus for yellow fever vaccine, will need a note and rx from their primary PCP. Mother agrees. Instructed and educated on travel advise and risks. Mother and child verbalize understanding. Will call with questions and vaccine appointments.
