**AUM STUDENT HEALTH CENTER
CONSENT FOR SERVICES FORM**

Patient Name KARAN HEMANT VAIDYA Date of Birth 01 / 06 / 1993

General Consent for Treatment

I request and authorize health care services by my provider and his/her designees(s) as my provider may deem advisable and in my best interest. This may include routine diagnostic, laboratory procedures and medication administration.

I understand that excluding emergency or extraordinary circumstances, no substantial procedure will be performed without providing me an opportunity to give me informed consent for that procedure. Informed consent means that the medical provider must disclose information to me including benefits and risks of a particular procedure and/or treatment.

Payment

I am responsible for all bills incurred at the Student Health Center. Payment is due at the time that services are rendered unless prior arrangements have been made.

I have read the consent form, or it has been read to me, and I am satisfied that I understand its contents. My questions have been answered to my satisfaction.

AUM Student Health Services PATIENT HIPAA CONSENT FORM

I understand that I have certain rights to privacy regarding my protected health information. These rights are given to me under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). I understand that by signing this consent I authorize you to use and disclose my protected health information to carry out:

- Treatment (including direct or indirect treatment by other healthcare providers involved in my treatment);
- Obtaining payment from third party payers (e.g. my insurance company);
- The day-to-day healthcare operations of your practice.

I have also been informed of and given the right to review and secure a copy of your *Summary of the HIPPA Privacy Rule*, which contains a more complete description of the uses and disclosures of my protected health information and my rights under HIPAA. I understand that you reserve the right to change the terms of this notice from time to time and that I may contact you at any time to obtain the most current copy of this notice.

I understand that I have the right to request restrictions on how my protected health information is used and disclosed to carry out treatment, payment and health care operations, but that you are not required to agree to these requested restrictions. However, if you do agree, you are then bound to comply with this restriction.

I understand that I may revoke this consent, in writing, at any time. However, any use or disclosure that occurred prior to the date I revoke this consent is not affected.

Signed this _____ day of _____ 20_____.

AUM Student Health Services Summary of the HIPAA Privacy Rule

HIPAA is a federal law that gives you rights over your health information and sets rules and limits on who can look at and receive your health information.

Your Rights

You have the right to:

- Ask to see and get a copy of your health records.
- Have corrections added to your health information.
- Receive a notice that tells you how your health information may be used and shared.
- Decide if you want to give your permission before your health information can be used or shared for certain purposes, such as marketing.
- Get a report on when and why your health information was shared for certain purposes.
- If you believe your rights are being denied or your health information isn't being protected, you can:
 - File a complaint with your provider or health insurer, or
 - File a complaint with the U.S. Government.

You also have the right to ask your provider or health insurer questions about your rights. You also can learn more about your rights, including how to file a complaint from the Web site at www.hhs.gov/ocr/hipaa/ or by calling 1-866-627-7748.

Who Must Follow This Law?

- Doctors, nurses, pharmacies, hospitals, clinics, nursing homes, and many other healthcare providers.
- Health insurance companies, HMOs, most employer group health plans.
- Certain government programs that pay for healthcare, such as Medicare and Medicaid.

What Information Is Protected?

- Information your doctors, nurses, and other healthcare providers put in your medical record.
- Conversations your doctor has had about your care or treatment with nurses and other healthcare professionals.
- Information about you in your health insurer's computer system.
- Billing information about you from your clinic/healthcare provider.
- Most other health information about you, held by those who must follow this law.

Summary of the HIPAA Privacy Rule (continued)

Providers and health insurers who are required to follow this law must keep your information private by:

- Teaching the people who work for them how your information may and may not be used and shared;
- Taking appropriate and reasonable steps to keep your health information secure.

To make sure that your information is protected in a way that does not interfere with your healthcare, your information can be used and shared:

- For your treatment and care coordination;
- To pay doctors and hospitals for your healthcare;
- With your family, relatives, friends or others you identify who are involved with your healthcare or your healthcare bills, unless you object;
- To protect the public's health, such as reporting when the flu is in your area, or
- To make required reports to the police, such as reporting gunshot wounds.

Your health information cannot be used or shared without your written permission unless this law allows it. For example, without your authorization, your provider generally cannot:

- Give your information to your employer.
 - Use or share your information for marketing or advertising purposes, or
 - Share private notes about your mental health counseling sessions.
