Immunizations

Patient Number: B958E752
Patient Name: Kalluri, Sri Sai Charan
Date of Birth: 6/25/2000

Immunizations list - The immunizations listed below include the most recent vaccinations relevant to adults but may not include all of the pediatric doses listed on your shot record.

Please contact Student Health Services if you need a copy of all the records you may have submitted.

Immunization information may be shared to other WSU departments and/or personnel who have a legitimate educational interest in these records in order to provide additional university services.

If you have questions about your COVID-19 vaccinations, please send a message to the nurse using the Messages link on the left.

Please do not upload your documents multiple times. Student Health staff manually process all documents so please allow us 5 business days to enter the data into your health file. After the data is entered into your file, it will show up below. Thank you.
