Requesting Provider:	Lindsey Barton
Dispensing Provider:	BCBS Imaging Provider
Approval Number:	211499788
Requested Service:	CT scan of chest with contrast 71260

Dear Channing Lawson:

Blue Cross and Blue Shield of Alabama contracts with AIM Specialty Health[®] (AIM) to perform review of utilization management services on behalf of their members. As stated in your Blue Cross and Blue Shield of Alabama Summary Plan Document (SPD) or Benefit Booklet, your benefits provide coverage only for covered services that are medically necessary for the diagnosis or treatment of a specific illness, injury or condition. This letter is in response to a request for pre-certification of the above referenced procedure.

AIM has reviewed a request on behalf of Lindsey Barton for CT scan of chest with contrast 71260 at BCBS Imaging Provider. The request has been approved. The order number for this approval is 211499788. This approval is valid from December 6, 2022 - February 3, 2023.

Benefits are dependent upon plan coverage, including any pre-existing condition exclusions or other exclusions and limitations set forth in the plan. Benefits are not available if there is a loss of coverage (including a retroactive contract termination). Payment of benefits is also subject to the terms and limitations of the plan at the time services are rendered.

If you have questions about our process or for questions about your health plan benefits, please call Member Services at the number on the back of your Blue Cross and Blue Shield of Alabama identification card (ID card).

This information has been provided to Lindsey Barton.

Sincerely,

AIM Specialty Health
On behalf of Blue Cross and Blue Shield of Alabama

cc: Lindsey Barton
