Spoke with pt and mother at length regarding recommended travel vaccines as well as prophylactic medications. Pt and mother have taken personal time to educate selves and seem well prepared. Will send malaria RX as well as diamox for altitude sickness, educated pt on how to take and supplied educational material to take home and review as well. D/w pt topics included on travel guidelines such as insect safety, water and sun expose safety, avoidance of animals, traveler's diarrhea, etc. Pt is to RTC for typhoid vaccine.
